One day the sun refuses to shine, into my sinful life. I prayed both night and day that Jesus would make his way. One day He heard my prayer, and then He answered later and there, One day, He made way for me. One day my life will surely end and I will say goodbye to the man, Tell him my oops and downs from the evil that is all around. He would say, My son, well done, your race has now been run. One day, he way for me.
